## WHO ARE THE JEC?

The Jersey Elite Conference, a NJ Nonprofit, is a 501c3 enhancing the student athlete's organized sports experience by teaching leadership skills and developing a lifelong love of athletics. Building teams bigger than individuals creates a conduit into the community to provide opportunities beyond sports including tutoring, mentorships, and partnerships to address food insecurities. The JEC advocates for the community youth to be stronger students, stronger athletes, stronger leaders and stronger members of their communities.

The Jersey Elite Conference *powers* the Toms River Seahawks, Brick Hydra, and Lakewood Pioneers football programs. All three teams are part of the New Jersey Shore Pop Warner Conference. The JEC fundraises throughout the year so everyone's registration is reduced from \$450 to \$185 per athlete. We aim to also provide scholarship opportunities for those that are in need beyond.

## WHO IS ELIGIBLE
